Dear Mr. Davidian,

This is in response to your letter dated December 20, 2004.

To the best of my recollection, I called the State Election Commission and the Milwaukee County District Attorney's office at the end of March or early April, 2004 to ask questions about election campaign laws and procedures. As I remember, I asked questions about what constitutes an unregistered Political Action Committee particularly in regard to websites and printed materials from websites. I did not file any complaint at that time or any time since.

As I mentioned in my letter to you dated December 16, 2004, I have no records of the phone calls. The fact that I have no written records of any kind indicates that I did not pursue the matter any further than the initial informational phone discussion. It does not indicate that I did not make the phone call.

Signed,

A handwritten signature in black ink, appearing to read "Ellen Eckman". The signature is fluid and cursive, with the first name "Ellen" being more prominent than the last name "Eckman".
