12-15-03 10:05 AM Telephoned Peter Bentz. He ate between 6:30 + 7:00 pm. He ate by himself. Had an egg roll which was cool and shrimp with lobster sauce which was hot. Mr. Bentz became sick at 11:00 pm. The food did not have an unusual taste. He does not eat out a lot, but makes most of his own food at home. We received no other reports of people becoming sick eating at East Garden. *PJ.*
